By accepting this agreement or by installing the V-Blast or FM Seismograph app or other software offered by or on behalf of Blast Log Limited, a UK company limited by shares (the "Software") or by clicking "Install," "Agree" or similar language, you agree to the following terms, notwithstanding anything to the contrary in this agreement. If you do not agree with any term or condition, do not download, order, open, play, install or use the Software or product package.

### License

Subject to your compliance with these terms and conditions, Blast Log Limited grants you a royalty-free, non-exclusive, non-transferable license to use the Software, solely for your personal, non-commercial purposes. Blast Log Limited reserves all rights in the Software (excluding the Other Software) not expressly granted to you here.

### Restrictions

The source code, design, and structure of the Software are trade secrets. You will not disassemble, decompile, or reverse engineer it, in whole or in part, except to the extent expressly permitted by law, or distribute it. You will not use the Software for illegal purposes. You will comply with all export laws. The Software is licensed, not sold.

### Disclaimer of Warranty

Blast Log Limited disclaims any responsibility for harm resulting from using the Software. Blast Log Limited expressly disclaims all warranties and conditions, express or implied, including any implied warranties and conditions of merchantability, fitness for a particular purpose, and noninfringement, and any warranties and conditions arising out of course of dealing or usage of trade regarding the

Software. No advice or information, whether oral or written, obtained from Blast Log Limited or elsewhere will create any warranty or condition not expressly stated in this agreement. Some jurisdictions do not allow certain limitations on implied warranties, so the above limitation may not apply to you to its full extent.

### Limitation of Liability

Blast Log Limited's total liability to you from all causes of action and under all theories of liability will be limited to £50.00. In no event and under no theory of liability will Blast Log Limited be liable to you for any special, incidental, exemplary, or consequential damages arising out of or in connection with this agreement or the software whether or not Blast Log Limited has been advised of the possibility of such damages. The foregoing limitations will survive even if any limited remedy specified is found to have failed of its essential purpose. Some jurisdictions do not allow the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you to its full extent.

### U.S. Government Users

The Software is "commercial computer software" any use of which by or on behalf of the U.S. Government is subject to the restrictions herein. Manufactured by Blast Log Limited.

### General

These Blast Log Limited terms will be governed by and construed in accordance with the laws of England and Wales without regard to conflicts of law rules. The United Nations Convention on Contracts for the International Sale of Goods will not apply. The failure by either party to enforce any provision will not constitute a waiver. Any waiver, modification, or amendment of the Blast Log Limited terms will be effective only if signed or presented on this authorized Blast Log platform. If any provision is held to be unenforceable, it will be enforced to the maximum extent possible and will not diminish other provisions. Blast Log Limited may make changes to these terms from time to time.
